Memorandum

The Florida Legislature recently enacted amendments to the website requirements contained in Section 189.069(2)(a), *Florida Statues*, effective July 1, 2020. The full text of these amendments is attached to this memorandum as **Exhibit A**, and the amendments are summarized below:

- The requirement to post the final, complete audit report for the most recent completed fiscal year and audit reports required by law or authorized by the governing body of the special district may be satisfied by providing a link to the audit report on the Auditor General's Website.
 - The public facilities report is no longer required to be posted.
- Meeting materials accompanying meeting or workshop agendas are no longer required to be posted. Please note that the agenda itself is still required to be posted.

The amendments do not prevent districts from including these documents on their websites, but districts may remove them if they so choose. We recommend requesting board direction on a district-by-district basis.
